**PLAN EL PASO DESIGNATION:** G-2, Traditional Neighborhood (Walkable)

### **APPLICATION DESCRIPTION**

The applicant is requesting to vacate a 20' wide public alley located within Block 2, Valverde Addition. The applicant, Tech University Health Sciences Center of El Paso, proposes to vacate the alley to construct facilities that will serve the future construction of the Medical Science Building II.

### **NEIGHBORHOOD INPUT**

Notice of a Public Hearing was published in the El Paso Times on January 25, 2017 and a notice was mailed to all property owners within 300 feet of the subject property. Two letters of support were received from the Medical Center of Americas Foundation (MCA) and University Medical Center of El Paso (UMC).

## **DEVELOPMENT COORDINATING COMMITTEE**

The Development Coordinating Committee recommendation is **pending** due to the following items:

- Incomplete application (missing proof of ownership of all abutting properties).
- Recommendation from El Paso Electric.

## **Planning Division Recommendation:**

Staff recommendation is **pending** subject to the conditions as stated above.

## **Planning and Inspections Department - Land Development**

No objections.

## **El Paso Water**

We have reviewed the vacation request and provide the following comments:

El Paso Water (EPWater) does not object to this request as long as an easement is retained until the sanitary sewer main can be abandoned or becomes a private service line.

### **Water:**

There is an existing 12-inch diameter water main located along the north side of Alberta Avenue, approximately 18-feet south of and parallel to the northern right-of-way line of Alberta Avenue. This water main is available for service.

### **Sanitary Sewer:**

There is an existing 8-inch diameter sanitary sewer main located along the north side of Alberta Avenue, approximately 26-feet south of and parallel to the northern right-of-way line of Alberta Avenue. This sanitary sewer main is shallow.

There is an existing 8-inch diameter sanitary sewer main along the alley between Concepcion Street and Raynolds Street, north of Alberta Avenue. The sanitary sewer main is located approximately 8-feet east of the property line. This sanitary sewer main is shallow.

### **General:**

An application for water and sanitary sewer services should be submitted 6 to 8 weeks prior to construction to ensure water for construction work. Additional service applications are available at 1154 Hawkins, 3rd Floor. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property, and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances. Alameda Avenue is a Texas Department of Transportation (TxDOT) right-of-way. All proposed water and sanitary sewer work to be performed within Alameda Avenue right-of-way requires written permission from TxDOT.

## **Capital Improvements Department – Parks**

We have reviewed **Val Verde Addition Block 2 – Alley Vacation** a survey map and on behalf of CID Parks Planning Division we offer “No” objections to this proposed alley vacation request.

If density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.

**Texas Gas Company**

No comments received.

**El Paso Electric Company:**

EPEC objects due to critical distribution infrastructure in the area. EPE recommends that an easement be reserved in the deed as part of the sale or a public utility easement be provided as a City Ordinance.

**Time Warner Cable**

Recommends approval provided lines are relocated North of Alberta Avenue in between Concepcion Street and Reynolds Street due to existing aerial facilities within the project area.

**Streets and Maintenance Department**

No objections.

**AT&T**

No comments received.

**El Paso Fire Department:**

No objections.

MEDICAL CENTER  
OF THE AMERICAS  
FOUNDATION

January 20, 2017

***The Honorable Emma Acosta***

City Representative, District 3  
City of El Paso  
300 N. Campbell  
El Paso, TX 79901

**RE: Support of Alley Vacation Request**

Dear Representative Acosta:

The Medical Center of the Americas (MCA) Foundation offers this letter to demonstrate our complete support for the development of Texas Tech University Health Sciences Center El Paso (TTUHSC EP), Medical Sciences Building II (MSBII). Our support includes the transfer of the city owned "alleys", to TTUHSC EP. Access to and modifications of said land on behalf of TTUHSC EP will help secure the growth of its learning environment and the MCA campus.

The requested alleys to be vacated for the future construction of the MSBII are identified as group 1 and group 2 on the attached map noted in red. Group 1 is the alley from Alameda Avenue to north of Alberta Street. Group 2 is the alley from Alberta Street to north of the railroad tracks. The current property including undeveloped alleys are within the close proximity of our campus and are west of Reynolds to south of Alameda Avenue and east of Concepcion Street to north of the railroad tracks.

The need for development of this property is important to continuing the mission of the Texas Tech University Health Sciences Center El Paso. Without access to the described property, there will be interference with the educational efforts of the Paul L. Foster School of Medicine (PLFSOM), the Gayle Greve Hunt School of Nursing (GGHSON), the Graduate School of Biomedical Sciences (GSBS), and the developing Woody L. Hunt School of Dental Medicine (WLHSODM).

In summary, MCA fully supports the development of the TTUHSC El Paso Campus.

Sincerely,

**Emma W. Schwartz**
